Welcome to the first part of the Spring Magical Mystery!

Now you get to start with another colour... again! See no devious "you have to stitch the first 18 parts with green" this time round hehehe (not that there were 18 parts but still... you get my drift!)

First: The **red line** marks the area you will stitch **DO NOT STITCH THE RED LINES**

Then: The **blue lines** are the stitching lines for making a biscornu. If you are NOT stitching a biscornu you can also ignore these lines!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!
