Welcome to the fourth part of the Spring Magical Mystery!

Yikes! More green! At least it's the *other* green!

First: The red line marks the area you will stitch DO NOT STITCH THE RED LINES

Then: The blue lines are the stitching lines for making a biscornu. If you are NOT stitching a biscornu you can also ignore these lines!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
