Welcome to the April 25 x 25 for 2019! Each month you get a new pattern that is 25 x 25 stitches.

All stitches on the top pattern are backstitch and stitched with 1 thread.

All stitches in the extra pattern are running stitch (stitched with 2 threads) that span the length of the line shown. So if the line goes over 2 squares then it's 2 stitches long, if it goes over one square it's one stitch long.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #25x25SAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
