Welcome to the July 25 x 25 in 2019! Each month you get a new pattern that is 25 x 25 stitches.

This month uses both back and straight stitch. Do the orange backstitch in the centre first then stitch the yellow. The yellow is straight stitch - just start in a corner and work your way round to do the stitching. (I will put a diagram on the blogpost). Then finally do the outer orange straight stitches.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #25x25SAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
