Welcome to the November edition of the 35 x 35 for 2020!

All of the backstitches are straight stitches, so each line is a single stitch.

There is no wrong way to do the straight stitches along the sides - I did mine by doing first one direction then the other, but you could do it in alternating directions to weave them together - or perhaps another way I haven't thought of!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #35x35SAL as the tag on most social media.
