Welcome to the fifteenth part of the NYE Mystery!

This is the last part of the front of the embroidery - you will finish it by stitching the outer border line using DMC 820. The next part of the mystery will be a back for a pincushion, ornament or biscornu.

First: The **red line** marks the area you will stitch **DO NOT STITCH THE RED LINES**

Then: The **green lines** are the stitching lines for making a biscornu. If you are NOT stitching a biscornu you can also ignore these lines!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!
