Welcome to the seventh part of the NYE Mystery!

This time you get to add some 800 to the border and some 820 in the centre!

First: The **red line** marks the area you will stitch **DO NOT STITCH THE RED LINES**

Then: The **green lines** are the stitching lines for making a biscornu. If you are NOT stitching a biscornu you can also ignore these lines!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!
