Welcome to the first part of the NYE Magical Mystery!

This time it's easy enough to see what you need to stitch - in the coming parts you will need to keep your eyes peeled and read the notes carefully.

First: The **red line** marks the area you will stitch **DO NOT STITCH THE RED LINES**

Then: The **green lines** are the stitching lines for making a biscornu. If you are NOT stitching a biscornu you can also ignore these lines!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you on December 30th!

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
