Welcome to the ninth part of the NYE Mystery SAL 2019/2020!

This time you get a new colour - it's the last colour that hasn't been used yet! It's used in the corners and to add a row under the bit you added in part 7.

It looks like the same colour as DMC C 798 in the pattern with a different symbol - that's because they are the same colour - just one is Etoile and the new colour isn't.

Have fun and **see you in 4 hours!**

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results! The tag to use is: #NYEMysterySAL
