Welcome to the first part of the NYE Mystery SAL!

You will notice as you get more parts that the file names are all a bit weird - this is to avoid anyone sneaking a peek at the files ahead of the allotted time - yes there are people who actually try that as they are just too impatient to find out what it will look like.

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 3 hours!

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.
