Welcome to the first part of the Spring Mystery SAL 2019!

In this part you will create the outer edge and the centre of the pattern. This way you will know where the middle and where the outside edge is for ALL parts without any additional, potentially confusing outline lines.

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Instagram, Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest etc. is not. You may also not edit my pattern and then post it.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
