Welcome to the fifteenth part of the Spring Mystery SAL 2019 - the back!

As always I have left space in the centre for you to put your initials and a date etc. To show placement I have already added in the mystery details and GS as my initials, obviously you will want to use your own initials.

As you know I always include a complete alphabet with the back pattern and I thought it would be fun to put it into the pattern for the back so you get a tiny sampler effect.

Because I did the back twice the stitch count for the frame is doubled - you only need half of what it says. The stitch count for the purples is also more than you need due to the alphabet being used in both suggestions.

Feel free to do what you want there - these are just suggestions - I'm a huge fan of changing things up and love seeing what others come up with!

Have fun and see you in 4 hours!

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.
