Welcome to the fifth part of the Spring Mystery SAL 2019!

This time the darker blue is used to make some lines, the yellow gets to help the light and darker blue stitches become tiny flowers, and there are green squares too! AND green lines showing up in the corners as well!

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
