Welcome to the sixth part of the Spring Mystery SAL 2019!

Having recovered from the onslaught of many colours last time you get some more now too! First the darker blue is *still* showing up - this time nestled into the outer yellow lines. Then you get a new colour showing up too - the first of the pinks! You get to add some on each corner.

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
