Welcome to the eighth part of the Spring Mystery SAL 2019!

This time there is a bunch of green in the central area (eight different places) and the last purple has shown up too! It has nestled in next to the purple that was there before.

To save on constantly starting and stopping thread it would be wise to just park the threads to one side till the next part or until you are sure you no longer need that colour.

Have fun and see you in 4 hours!

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
